A flexible double degree combining in-depth legal knowledge with advanced communication, critical thinking and writing skills. Study the required academic courses for admission as a legal practitioner in Australia, follow your passion and customise a degree, through a wide range of specialisations.

In this program you will:

- Study the foundations of the Australian legal system, including criminal and commercial law, torts, contracts, property law and constitutional law
- Develop specialist knowledge in the Arts areas that interest you, including English, history, geography, politics and international relations, sociology and more
- Build practical legal experience by preparing advice, present legal arguments and observing court proceedings
- Build advanced critical thinking, research and writing skills

Career opportunities

- Human resource manager
- Recruitment consultant
- Employment and industrial relations consultant
- Learning and development advisor

Accreditation

The degree is an approved academic qualification for admission to the legal profession. Graduates must undertake a further period of practical legal training before being admitted as a legal practitioner.
