Bachelor of **Laws** / Bachelor of **Business**

Set yourself apart with a flexible double degree that will open up a world of career choices. This program is designed to build strong legal, analytical and communication skills that put you in demand across a range of sectors. You'll study all the academic courses required for admission as a legal practitioner in Australia, as well as foundational business concepts across areas like accounting, management and marketing.

In this program you will:

- Study the foundations of the Australian legal system, including criminal and commercial law, torts, contracts, property law and constitutional law
- Deepen your business knowledge with a choice of electives courses in areas like including international business, economics and finance, entrepreneurship and more
- Build practical legal skills by preparing advice, present legal arguments and observing court proceedings
- Have the opportunity to work with clients under legal supervision in a law practice, or undertake an internship

Law Honours is available, usually without extending the time required to complete your degree.
