

# Bachelor of / Bachelor of Arts / Science

LOCATION

START

Sunshine Coast

Semester 1, Semester 2

Simultaneously build a strong scientific grounding and powerful communication talents. Choose from more than 20 specialisations in a wide range of areas including humanities, social sciences and science, with the flexibility to tailor your own studies. Graduate with diverse career choices in research institutes, planning agencies, public relations and management in industries related to technology, production and the environment.

In this program you will:

- Choose from a wide range of major and minors that spark your interests and ambitions
- Develop a niche skill set that sets you apart from other graduates
- Gain work experience and make industry contacts through work-integrated learning courses

Career opportunities

- Researcher
- Editor
- Sociologist
- Geographer
- Historian
- Policy officer
- Media and communications professional
- Writer
