

A business **double** that adds up

Bachelor of **Business** / Bachelor of **Commerce (Accounting)**

Across all industries, sound financial management is one of the keys to business success. In this flexible double degree, you'll gain an accredited accounting qualification and choose to specialise in the areas of business that most interest you.

In this program you will:

- Study the foundations of contemporary business, including communication, analytics and marketing
- Learn about financial and company accounting, taxation law, auditing and financial management
- Choose from a wide range of business specialisations, including management, economics and finance, international business and more
- Gain valuable industry experience through an optional final-year internship

Career opportunities

- Accounting
- Management
- Economics
- Human resource management
- Marketing
- International business
- Tourism, leisure and event management

Membership

- CPA Australia[^]
- Chartered Accountants Australia & New Zealand[^]
- Institute of Public Accountants[^]
- Tax Practitioners Board[†]

[^]It is the responsibility of the student to confirm with the three Australian accounting bodies (CPA, CAANZ and IPA) whether any credit granted will impact on their eligibility for professional association membership.
