

Become a **leader** in the business of communication

Bachelor of **Business** / Bachelor of **Communication**

Effective communication skills are among the most sought-after skills in any modern business. In this double degree, you'll learn the foundations of clear, accurate and engaging communication within a range of contexts including social media, marketing, video production and more. You'll also develop the core business knowledge you will need to succeed in your future as a business professional in areas such as business strategy implementation, organisational learning and growth.

In this degree you will:

- Study the core communication disciplines and become job-ready for a range of media, marketing and communication roles
- Build a diverse skillset by studying core business concepts like management, marketing, economics and international business
- Develop briefs and communication campaigns, work with real clients and projects and experience work as part of an agency team
