

Help drive financial success

Bachelor of Commerce (Accounting)

If you're good with numbers, love solving problems and always pay attention to the detail, a career in accounting is for you. Graduate with the financial and legal knowledge you'll need to make an impact in a changing business world.

- Learn how to manage financial information and prepare financial reports
- Build a strong foundation in business law and ethics, financial accounting, company accounting, management accounting, taxation law and auditing
- Get 96 hours of hands-on accounting experience through an optional professional internship or placement organised by USC

Accreditation

This program is fully accredited by CPA Australia, Chartered Accountants Australia & New Zealand and the Institute of Public Accountants, and has been designed to qualify graduates for associate membership of these professional bodies.

Career opportunities

Public accountant, auditor, management accountant, financial administrator, taxation consultant, banking.

Membership

CPA Australia; Chartered Accountants Australia & New Zealand; Institute of Public Accountants

Please note:

In 2021, all first-year courses in this degree will be

available online. Second-, third- and fourth-year courses (where applicable) will be offered online progressively from 2022 onwards. If you wish to study online and are intending to apply for credit for previous studies, please contact Student Central to discuss your options. Please note that some online courses may require some attendance at a USC campus to support your learning.
