

Develop your passion for **screen media**

Bachelor of Creative Industries (Screen Media)

Career opportunities are multiplying in the rapidly growing areas of screen media content production and distribution. In this program you will gain in-depth knowledge of the changing nature of film and TV while fine-tuning your creative and technical skills, giving you a professional edge in the industry.

With a strong focus on combining theory with practical experience, you will work closely with experienced industry professionals to produce short films and documentaries, and have internship opportunities with production companies and film festivals.

In this program you will:

- Learn the processes of creating screen media content – from screenwriting, to filming, to post-production.
- Acquire in-depth knowledge of the media and communication sectors, screen aesthetics, and the social and cultural impacts of screen media, as well as its history and future.
- Gain workplace experience and develop your network of professional contacts.
- Undertake production and research projects to develop and refine your screen media knowledge and skills.
- Graduate with a professional portfolio and showreel to showcase your talents.

Career opportunities:

- Screen editor
- Producer
- Screenwriter
- Cinematographer

- Media manager
- Program researcher
- Documentary maker
- Media policy advisor
