

# Build your skills as a **theatre** or performance maker

## Bachelor of Creative Industries (Theatre and Performance)

Designed and taught by theatre- and performance-makers, this program will build your skills through studies in acting, directing, devising, theatre history, leadership, script-writing, voice, and design. Upon graduation you will have the skills to work in theatre and performance or transfer your skills to a range of related professions.

In this program you will:

- Engage in studies of acting, directing, devising, theatre history, leadership, script-writing, voice and design.
- Build performance making skills.
- Work alongside a professional theatre director in the creation of a theatrical production.
- Undertake industry placements, and develop practical skills and valuable industry networks.
- Hone your communication, problem solving, critical analysis, team work, time management, and leadership skills.

Career opportunities:

- Stage manager
- Actor
- Playwright
- Director
- Producer
- Educator
