

# Bachelor of / Bachelor of Education (Secondary) / Arts

LOCATION	START
Sunshine Coast	Semester 1, Semester 2
Moreton Bay	Semester 1, Semester 2

Inspire a love of the arts through teaching. Specialise in two teaching areas such as English, geography, history, drama, Japanese, music, screen media, psychology, biology, chemistry or mathematics. You will study how to plan lessons, assess students, and manage a classroom of students in Years 7-12.

In this program you will:

- Complete 80 days of supervised teaching in local schools (and in rural and remote setting if desired)
- Gain curriculum and pedagogy knowledge and skills in two teaching areas
- Learn how to plan lessons, assess students, and manage a classroom
- Be provided the opportunity to experience different school settings and learners by taking a trip to rural and remote areas
- Attend professional development seminars to enhance your professional knowledge
- Gain eligibility to become a member of the Queensland College of Teachers

Career opportunities

- Secondary school teacher
- Community education centres
- Private practice tutor
- Education consultant
- Education policy analyst
- Youth support worker
- Teacher of English overseas

Post admission requirements

- Students must complete 80 days of supervised professional experience, completed as full-time blocks as program approved. Most of this experience must be completed in a Queensland school. Students must undergo a criminal history check and obtain a Suitability Card before the first workplace experience, refer to institution.
- As required by the Commission for Children and Young People and Child Guardian Act (2000), pre-service teachers must undergo a criminal history check and be issued with a Suitability Card (Blue Card) by the Commission to allow them to undertake field experience in a school or centre in which children under 18 years of age are present. It is highly recommended that students be proactive in applying for a card as soon as they are accepted into the program. It is now a requirement of all Queensland sites and most Australian sites that pre-service teachers have obtained the Blue Card prior to starting professional learning.
- Student must be able to travel to attend professional experience placements.
- Students undertaking an Initial Teacher Education program are expected to undertake and meet the benchmark in the Personal Literacy and Numeracy Test for Initial Teacher Educators (ITE). Students must complete and pass the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) prior to graduating.
