

# Bachelor of / Bachelor of Education (Secondary) / Recreation and Outdoor Environmental Studies

## LOCATION

Sunshine Coast

Moreton Bay

## START

Semester 1, Semester 2

Semester 1, Semester 2

Become a Year 7-12 teacher in Health and Physical Education or Marine Science, plus another teaching area. A double degree presents greater options. Potentially pursue a career outside schools in outdoor and environmental education centres, adventure tourism or ecotourism.

In this program you will:

- Complete 80 days' supervised experience in Queensland schools and 25 days' outdoor environmental fieldwork
- Choose from a range of disciplines for secondary teaching areas
- Graduate eligible to register with the Queensland College of Teachers
- Learn how to plan lessons, assess students and manage a classroom
- Attend professional development seminars to enhance your professional knowledge

## Career opportunities

- Teacher in secondary schools
- Outdoor leader
- Outdoor guide
- Sports coach
- Outdoor recreation officer
- Environmental interpretation guide
- Adventure tourism guide
- Ecotourism guide

## Post admission requirements

- Students must complete 80 days of supervised professional experience, completed as full-time blocks as program approved. Most of this experience must be completed in a Queensland school. Students must undergo a criminal history check and obtain a Suitability Card before the first workplace experience, refer to institution. To commence field experience placement within this program, students must have a Working with Children Check. As required by the Commission for Children and Young People and Child Guardian Act (2000), pre-service teachers must undergo a criminal history check and be issued with a Suitability Card (Blue Card) by the Commission to allow them to undertake field experience in a school or centre in which children under 18 years of age are present. It is highly recommended that students be proactive in applying for a card as soon as they are accepted into the program. It is now a requirement of all Queensland sites and most Australian sites that pre-service teachers have obtained the Blue Card prior to starting professional learning.
- Students must complete and pass the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) prior to graduating.
- The program includes activities and assessment that require a minimum level of personal mobility and physical fitness to complete, including travel to off-campus locations. Students

CRICOS Code  
088624G

## Duration

4 years

Only a full-time option is available to international students on a Student visa. Online programs are not available to Student visa holders.

## Indicative 2025 fees

A\$27,900

## Annual fee

Tuition fees are reviewed each calendar year. The fee you must pay for a given teaching period is that which has been approved by UniSC for the calendar year in which the teaching period commences

## Prerequisites

English (Units 3 and 4, C);  
General Maths, Maths Methods  
or Specialist Maths (Units 3 and  
4, C)

## Recommended prior study

A General science subject  
(Units 3 and 4, C), Health and  
Physical Education (Units 3 and  
4, C). It is recommended that  
students obtain First Aid and  
CPR certificates.

## Delivery mode

Blended Learning

SCS203 Introduction to Aboriginal and Torres Strait Islander Education

Graduate courses (9) 108 units

EDU300 Assessing Learning  
EDU328 Professional Experience: Managing Learning Environments  
EDU410 Aboriginal and Torres Strait Islander Perspectives in Learning and Teaching  
EDU412 Diversity and Inclusion  
EDU415 Teacher as Researcher  
EDU417 Literacy and Numeracy Across the Curriculum  
EDU424 Professional Experience: Individual Learner Needs  
EDU426 Professional Experience: The Professional Teacher  
EDU427 Pedagogical and Curriculum Leadership in the Classroom

Required courses from specified list (4) 48 units

Select 4 courses (48 units) of curriculum and pedagogy courses related to your major or minor:

EDU347 Teaching Junior Secondary English  
EDU348 Teaching Senior Secondary English  
EDU352 Teaching Junior Secondary Science 1  
EDU353 Teaching Senior Secondary Science 1  
EDU356 Teaching Junior Secondary Geography  
EDU357 Teaching Senior Secondary Geography  
EDU358 Teaching Junior Secondary History  
EDU359 Teaching Senior Secondary History  
EDU363 Teaching Junior Secondary Mathematics  
EDU364 Teaching Senior Secondary Mathematics  
EDU368 Teaching Junior Secondary HPE  
EDU369 Teaching Senior Secondary Health and Physical Education

Major (8) 96 units

Select 1 major from:

Health and Physical Education  
Marine Science

Minor (4) 48 units

English  
Geography  
History
