## START

Semester 1, Semester 2

Create employer demand by setting yourself apart with a flexible double degree. This program is designed to build strong legal, analytical and communication skills that open up a world of career choices. You'll study all the academic courses required for admission as a legal practitioner in Australia, as well as foundational business concepts across areas like accounting, management and marketing.

In this program you will:

- Study criminal and commercial law, torts, contracts, property law and constitutional law
- Deepen your business knowledge with a choice of elective courses in areas like including international business, economics and finance, entrepreneurship and more
- Build practical legal skills by preparing advice, presenting legal arguments, and observing court proceedings

### Career opportunities

- In-house counsel
- Solicitor
- Barrister
- Government legal officer
- Business administration
- Contracts officer

### Accreditation

The degree is an approved academic qualification for admission to the legal profession. Graduates must undertake a further period of practical legal training before being admitted as a legal practitioner.
