Program requirements and notes

In order to graduate you must:

- Successfully complete 288 units as outlined in program structure
- Complete no more then 10 introductory level (100 coded) courses (120 units)
- Complete 35 days Outdoor Environmental Fieldwork on K'gari and other natural environments on the Sunshine Coast and other locations as required
- Students considering a Master of Teaching after graduating from this program should select electives that extend their discipline knowledge in one of their minors

In order to commence field education placement for OES302, you must:

- Hold a valid Blue Card throughout your program, issued by the Commission for Children and Young People and Child Guardian (CCYPCG). You should allow 12 weeks for CCYPCG to issue the card. Note: students who do not possess a valid Blue Card will be unable to complete the field education component of their program and will be unable to meet graduation requirements
- Travel to attend field education placements

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods including essays, seminar presentations, reports and examinations. Not all courses will necessarily include all methods
- Only a full-time study option is available to international students on a Student Visa
- Students will need to be aware of the physical components and location requirements of the program. If you have a disability, medical condition or any concerns that may affect your potential participation in some of the practical components of the program, you are invited to discuss your options with the program coordinator
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.
