

Take your nursing practice to the next level

Graduate Certificate in Nursing

This program will empower you to shape the future development and delivery of health care services. You'll develop your clinical specialisation in Community and Primary Health Care, Clinical Practice Education, Paediatric Care or Mental Health, or tailor your studies to suit your career goals.

This flexible program can be completed entirely online (subject to course availability), or as a combination of online and on-campus learning options.

Progress on to the Master of Nursing (Clinical Leadership) to cement your place as a health care leader.

In this program you will:

- Advance your knowledge and understanding in an area of health research or practice
- Prepare yourself for clinical leadership and advanced practice roles
- Have the option to finish in one semester, in the four-elective path

Career opportunities:

Graduates will extend their career pathways in leadership, clinical education and clinical practice roles.

Admission requirements:

- AQF Level 7 Bachelor of Nursing award
- Applicants who are Registered Nurses registered with AHPRA who do not have a bachelor-level qualification may be considered for admission based on

extensive industry experience and will require approval by the Program Leader.

Professional recognition:

Graduates may apply for membership with eligible clinical nursing organisations.

Fees for short courses

As part of the Federal Government's Job-ready Graduates package, USC is offering a limited number of Commonwealth supported places in the Graduate Certificate in Nursing in 2021. To be eligible for a Commonwealth supported place you must be a domestic student, and meet the citizenship and residency requirements. For more information visit Commonwealth supported places. Eligible students are able to defer payment through HECS HELP.

Commonwealth supported places for this short course initiative are only available for 2021. Any remaining short course units that are commenced in 2022 would not be Commonwealth supported, and would be charged at the cost of a full fee paying place, payable upfront.*

How to apply

To apply for the Graduate Certificate in Nursing, submit the completed online application form via Apply USC. Commonwealth supported places will be allocated to eligible students who meet the entry requirements in order of application date, so apply as soon as possible.
