Program requirements and notes

- Successfully complete 96 units as outlined in the program structure

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.
