Master of Arts

This master's degree gives you the chance to delve into your specialisation and produce an original contribution in your industry or field. In this program, you'll learn advanced research skills and enhance your ability to critically review literature and case studies.

Sharpen your faculties in problem solving and decision making in a rigorous environment for intellectual, professional and personal growth. The University of the Sunshine Coast offers broad study areas to choose from, with highly qualified academic staff to supervise your research.

Research areas

USC supports research in the following areas:

- Communication and media studies
- Creative arts
- Mental health and wellbeing
- Society and culture
- Environment and sustainability
- Management and business
- Law

Admission requirements

To be eligible for admission to Master of Arts candidature, applicants are normally required to hold a bachelor degree with at least Honours Class 2 Division II from a recognised higher education institution.

Applicants who have completed a bachelors degree and have achieved by subsequent work and study a standard equivalent to at least Honours Class 2 Division II may also be considered.

In exceptional cases, applications may be considered on the basis of other evidence of general and professional qualifications as approved by the Research Degrees Committee.

Refer also to the University's English language requirements.

Admission is subject to availability of appropriate supervision and facilities.
