Master of **Business Administration**

An MBA is an opportunity to increase and deepen your range of management skills. The program covers the latest trends and influences in business and builds on your skills in critical thinking and analysis.

Learn in a team environment where you and the other program participants share your real life management challenges and how you apply problem solving skills.

Complete six courses in the fundamentals of accounting, economics, corporate finance, strategic management and marketing. Then choose six courses in topics that interest you, including international trade and finance, entrepreneurship, global business management, research and many others.

Best of all, apply your new skills in your current job and complete the MBA flexibly either on campus or online.

Admission requirements

To be considered for admission candidates would normally be required to:

- possess an undergraduate degree from a recognised higher education institution or equivalent *
- have at least two years relevant full-time equivalent work or other relevant experience; and
- candidates whose first language is other than English must demonstrate an appropriate level of English proficiency. Refer to the English language requirements

* Applicants who do not possess an undergraduate degree but have at least 3 years' relevant full-time equivalent work or other relevant experience may be admitted to the qualifying Graduate Certificate in Business Administration.

Successful completion of the Graduate Certificate in Business Administration will qualify the candidate for entry into the MBA for completion of the remaining courses.
