# Program requirements and notes

In order to graduate you must:

- Successfully complete 144 units as outlined in the Program Structure

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Exit points. Students may be eligible to exit with a Graduate Certificate in Nursing based on completion of four courses (48 units) from the Master of Nursing (Clinical Leadership) if those courses are also available in the Graduate Certificate in Nursing program.
- International students on a Student Visa please note, you may enrol in no more than 3 courses (36 units) via online mode (25 percent of your program). You must also ensure that you are enrolled in at least one on-campus course in each semester
- Only a full-time study option is available to international students on a Student Visa
- Some courses in this program require project work and/or independent study and therefore have limited on-campus contact. Please refer to individual course descriptions
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.
