

Master of Teaching (Secondary)

| LOCATION | QTAC CODE | START |
|----------------|-----------|------------------------|
| Sunshine Coast | 017291 | Semester 1, Semester 2 |
| Moreton Bay | 017292 | Semester 1, Semester 2 |

This program is for graduates with non-Education bachelor degrees wanting to qualify to teach disciplines in secondary schools. For admission, your bachelor degree disciplines must align with the current subject offerings of Queensland schools.

In this program you will:

- Build on existing subject knowledge with discipline-specific courses preparing you for the classroom
- Assess students' learning needs, design lesson plans and manage a diverse classroom
- Complete Supervised Professional Experience in three blocks, totalling 60 days of practice teaching, with opportunity to gain experience rurally and remotely
- Attend ongoing professional development seminars and employment forums

Career opportunities

- Teacher in secondary schools (Years 7-12)
- Education consultant
- Corporate trainer

Post admission requirements

Students must complete a minimum of 60 days of Supervised Professional Experience in a school setting under the supervision of a Queensland College of Teachers (QCT) registered teacher.

Obtain a Blue Card before starting supervised professional experience. In order to commence field experience placement within this program, students must undergo a Working with Children Check: As required by the Commission for Children and Young People and Child Guardian Act (2000), pre-service teachers must undergo a criminal history check and be issued with a Suitability Card (Blue Card) by the Commission to allow them to undertake field experience in a school or centre in which children under 18 years of age are present. It is highly recommended that students be proactive in applying for a card as soon as they are accepted into the program. It is now a requirement of all Queensland sites and most Australian sites that pre-service teachers have obtained the Blue Card prior to starting professional learning.

Travel and Transport to Supervised Professional Experience sites. An appropriate distance for a Supervised Professional Experience (SPE) placement is normally within 50kms of a student's home residence. Students may be required to attend a placement at a site which is not easily accessible by public transport. Students will need to make their own arrangements to allow for their participation in the allocated SPE placement.

Students will also need to successfully complete the Literacy and Numeracy Test for Initial Teacher Education students. Further information on the test, including sample test questions and registration information, please visit the Australian Council of Educational Research website.

Duration

2 years

Full-time or equivalent part-time

Indicative 2024 fees

A\$4,624 (CSP)

A\$21,216 - 2025 Fees

(fee-paying)

Fees are indicative only and will change based on courses selected and are subject to yearly increases

Recommended prior study

English

Delivery mode

Blended Learning
