Program requirements and notes

In order to graduate you must:

- Successfully complete 192 units as outlined in the Program Structure
- Complete a minimum of 60 days of Supervised Professional Experience in a school setting under the supervision of a Queensland College of Teachers (QCT) registered teacher.
- Successfully complete the Literacy and Numeracy Test for Initial Teacher Education students. Further information on the test, including sample test questions and registration information, please visit the Australian Council of Educational Research website

Program notes

- Completing this program within the specified two year (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods including essays, seminar presentations, reports and in-class tests. Not all courses will necessarily include all methods
- Only a full-time study option is available to international students on a Student Visa
- When enrolling, please refer to the Recommended Study Sequence
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.

WIL notes

To commence supervised professional experience (SPE) you must:

- Obtain a Blue Card (or link your existing Blue Card to USC) prior to commencing supervised professional experience. Applications should be submitted at least 12 weeks prior to the SPE start date. View the Blue Card Fact Sheet for further information
- Complete PrePlace and a Student Placement Agreement (further information will be provided by the placement office upon enrolment)
- Make provision for transport to attend teaching practice placements
- Visit Education - Supervised Professional Experience (SPE) for more information regarding requirements for placements
- *It is no longer a requirement that students in Master of Teaching (Secondary) are fully vaccinated against COVID-19.*

  Please note that some placement host organisations have chosen to continue requiring COVID-19 vaccination. If you are not fully vaccinated, it is important to know that placement opportunities in your program may be limited and may result in a delay to your placement.

  UniSC still strongly recommends that all students undertaking placement are fully vaccinated and provide evidence of this vaccination status to the University.
